Revision of Scale of Works Inspectors - Bareilly Municipality

3a) G.O. dated 14-11-46 fixed the C.A. of Rs 7-8-0 when the scale of pay was Rs 20-1-30. Since the scale has been proposed to be revised to 35-5/2-50 which is very liberal when compared to the original scale (Rs 20-1-30) in order to have uniformity with that of P.W.D. I ordered the same scale of pay and allowances. Even now, I think it is fair and reasonable. However, I would like to refer this matter to the Financial Secretary for remarks.

Sir

I have the honour to state that the present establishment of the maistries in the Engineering Section of this Municipality was sanctioned in G O No L 8035-36/M1 12-35-94 dated 25-5-1936 As per this Government Order, the pay of these maistries has been fixed in the grade of 20-1-30 + 7-8-0 C A and is being continued ever since There are eight maistries as per sanctioned strength and some of the incumbents who are working as such in this Municipality for the last twenty five years have reached the maximum in the said grade and are stagnating on the same pay since over 7 years

not exactly true

2 On a recommendation from the Municipal Engineer ~~to change~~ that their designation may be changed to Work Inspectors on the analogy of the system obtaining in the Public Works Department and to revise their scales of pay proposals were made to change the designation of the maistries to Work Inspectors and to revise the scale of pay from Rs 20-1-30 to Rs 40-2-60 with a view to placing them on a superior status and footing both technically and financially over the masons who are already working in grade 30-2-40 and who are supposed to work under the maistries The subject came up before the Managing Committee and the Municipal Council at their meetings held on 24-2-1947 and 29-3-1947 respectively and they have approved of the same

3 Copies of the aforesaid proceedings together with
